### Resignation of Chief Operating Officer

Icon Energy Limited (**ASX : ICM**) (**Icon Energy** or **Company**) today announced that its Chief Operating Officer, Mr Larry Brown, had given his notice of resignation for personal reasons and had requested that the Company waive the notice provisions under the terms of his Executive Services Agreement.

Icon Energy Managing Director Mr Ray James said that he had accepted Mr Brown's resignation and would immediately seek to engage a consulting engineer to assist with the Chief Operating Officer's role while a suitable replacement for Mr Brown could be identified.

Mr Brown's resignation is effective immediately.

"I wish Larry all the best with his future endeavours", Mr James said.
